

LOCAL NEWS.

FRIDAY EVENING, MAY 15.

ALEXANDRIA CANAL.—Contrary to general expectation the Alexandria Canal is not yet in navigable condition, nor will it be, it is now stated, for at least one week from this date. When the pressure of water was let in upon the aqueduct on Wednesday last, the seams, which had been caulked when dry, opened, the pumps came out, and when the structure was within about fifteen inches of being full the leakage became excessive. The water has now been drawn off, and all the caulkers that could be obtained from Baltimore, Washington and this city, have been sent to work in refilling the open seams.

A break has occurred, owing to the late rains, in the Chesapeake and Ohio Canal, near Hancock, Md., but it is understood that the damage there is not of a serious nature. At two o'clock yesterday evening the water was running over the Bulling lock, at Harper's Ferry, so that loaded boats could not be locked through; and at the Point of Rocks the water in the canal was rising at the rate of a foot an hour.

P. S.—By telegrams we are informed that the damage sustained by the Chesapeake and Ohio Canal is so great that three weeks will elapse before navigation can be resumed.

THIRD WARD RADICALS.—A meeting of the Third Ward Radicals was held last night in the colored school house, on Alfred, between Princess and Oronoko streets, E. E. White, white, in the chair, and R. D. Beckley, colored, Secretary. The only business transacted, worthy of mention, was the unanimous adoption of a resolution denouncing the action of the City Council on Tuesday night last in refusing to elect colored men who were applicants for positions as night watchmen. The resolution, of which the following is a copy, was supported in speeches by R. D. Beckley, colored, and by John Birrell, and Edward Sullivan, white:

Resolved, That the Republicans of the 3rd Ward do denounce the action of the City Council in refusing to elect colored men to offices, but did elect Rebels.

FRESHET.—The late heavy rains have caused a considerable freshet in the river, and quantities of drift wood are floating down from the upper Potomac, which is being picked up by persons industriously engaged in collecting material for fuel.

The current in the river is running at the rate of about five miles an hour. The wharves at Georgetown and Washington have been overflowed and injured, and reports from all along the upper Potomac represent the water as having risen very rapidly.

The damage to the north draw of the Long Bridge still exists, no attempt as yet has been made to repair it.

PROPERTY SALES.—The two story brick house and lot of ground, on King street, adjoining the Marshall House, belonging to the estate of the late James Vansant was sold yesterday, at private sale, by S. F. Beach, Commissioner, to Dr. Kleipstone, for a friend, for six thousand dollars, cash.

A square of ground, on Fairfax street, opposite the work shops of the Alexandria, Loudoun and Hampshire Railroad, belonging to Mr. Rittenhouse of Washington, was purchased at private sale last week by Maj. John W. Green, of this city.

HIGH WIND.—Yesterday afternoon there was a sudden gale, lasting some fifteen or twenty minutes, which did some damage. The tin roof of Mr. R. G. Violet's warehouse, on Union street, occupied by Mr. P. H. Hooff, erected years ago, was blown down. A small sail boat capsized off this place during the squall. It contained three or four persons who clung on until rescued from their perilous predicament by boats which immediately put out from the shore.

WASHINGTON AND ALEXANDRIA R. R.—The case of the Washington, Georgetown and Alexandria Railroad Company vs. Joseph Davison, upon an appeal from a decision of the Circuit Court of Alexandria, has been set for argument in the Supreme Court of Appeals of the State, in Richmond, on the 25th inst. Messrs. G. W. Brent and R. T. Daniel are for the appellants, and Messrs. A. B. Magruder, W. H. Delaney, and R. J. Brent for the appellee.

BEHIND TIME.—The passenger train from River Station, on the Orange, Alexandria and Manassas Railroad yesterday evening, was delayed several hours by the washing away of a portion of the trestle work of the bridge over Goose Creek, between Piedmont and Ractortown. The cars could not cross the bridge but the passengers walked over it, and were brought down by another train. The bridge, it is supposed, will be repaired by to-morrow.

A. L. & H. R. R.—Handbills at the Depot of the Alexandria, Loudoun and Hampshire Railroad, state that, on, and after Monday, June 1st, round trip tickets over that road, good only for the day of issue, will be sold at the following rates: From Alexandria to Carlisle's, 50 cts; to Falls' Church, 80 cts; to Vienna, \$1.20; to Thornton, \$1.70; to Herndon, \$1.90; to Guilford, \$2.15; to Farmwell \$2.50; to Leesburg, \$3.00.

BAPTIST GENERAL ASSOCIATION.—The Baptist General Association of the State of Virginia will meet in this city on Thursday, the 4th proximo. Many ministers and lay delegates are expected to be in attendance from all sections of the State.

LIGHT LITERATURE.—From Mr. George E. French's book and periodical store, No. 95 King street, we have received the Sunday Magazine for May, and Demorest's for June.

FASHIONABLE CLOTHING.—By reference to Mr. Dealham's advertisement in day's Gazette it will be seen that this gentleman has opened his stock of spring goods, and a personal inspection warrants all he says concerning the really neat and fashionable suits of clothes he has for sale. His clothing resembles that made by city tailors, and is often mistaken for the best custom work. His Magenta paper collars are apparently made of Irish linen.

WATCH HOUSE.—Capt. Smith, of the night watch, reports the streets all quiet last night. There was a dance late last night, on the side walk of Royal, between King and Cameron streets, but as the parties engaged in it were not too noisy, they were allowed to continue their sport. Owing to the mildness of the temperature last night, there were no applicants for sleeping quarters at the Watch House.

RECOVERY OF STOLEN STOCK.—The mare and colt stolen from Mr. Henry Bontz, as mentioned in yesterday's Gazette, have been recovered, and a man named George Jarboe, alias Hagerty, who was attempting to sell them in Georgetown, has been sent to Fairfax county jail, to await an examination for the theft.

MINERALS.—Specimens of valuable lead have lately been discovered within eighteen miles of this city, and but a short distance from the railroad track. Tin has also been found in King George, and parties left here this morning for that county to prospect for mines of that valuable mineral.

SALE OF VALUABLE ESTATE.—Attention is directed to the sale of valuable real estate, advertised in the Gazette, to take place by public auction to-morrow—Lycium Hall, the residence of the late Daniel Minor, and a farm adjoining the village of Occoquan, are to be sold.

NEWSPAPER NOTICES.—In the principal cities of the country, a very good source of revenue, to assist in paying the heavy expenses of the publication of a daily paper, is from the marriage and death notices, which are always paid for in cash. In Alexandria, "not a dime."

I. O. R. M. As will be seen by a notice in another column, Osceola Tribe of Red Men will make an excursion to Carlisle's Springs, on the first day of next June.
